LETTERS PATENT

INNOVATION PATENT CERTIFICATE OF EXAMINATION

I, Fatima Beattie, the Commissioner of Patents,
hereby certify that I have examined the complete specification relating to

Innovation Patent

2012100086

granted to

Lumitex Limited of 21 Brunswick Bend, Jane Brook, WA, 6056, Australia

for the Innovation Patent titled

LED Driver/Transformer Holder

invented by Delich, Philip.

in accordance with the requirements of the Patents Act 1990 for examination and certification of an innovation patent and decided a ground for the revocation of the innovation patent has not been made out, or that any such ground has been removed.

Signed at
Canberra in the Australian Capital Territory
This 4th Day of December 2012

Fatima Beattie
Commissioner of Patents
