

Upgrade to LED Lighting with no upfront cost!

Take control of your energy costs with long term, low cost finance.

**APPLY FOR A FREE, NO OBLIGATION LIGHTING ENERGY AUDIT TO SEE IF YOUR NEW
LED LIGHTS CAN FUND THEMSELVES!**

OFFICE BUILDINGS - WAREHOUSES - FACTORIES - SCHOOLS - HOSPITALS

In fact, any commercial environment that requires artificial lighting, indoors or outdoors, can be funded with terms from one to ten years using low cost asset finance*. In many cases, no financials are required. With very low interest rates on offer, the case to fund your upgrade may be very compelling.

Allow us to visit and conduct a lighting energy audit and we will return with a fact-based audit result.

Who is Lumitex?

Lumitex Ltd is an Australian company based in Perth, working with LED's since 1996. We are a member of the Lighting Council Australia and a supplier of commercial quality LED fittings to all industry sectors.

How can we make this offer?

Lumitex Ltd is an accredited partner of Verdia, the independent energy expert. Verdia manages Westpac's Energy Efficient Financing Program and enables Australia's leading commercial, government and industrial organisations to identify, design and deliver energy efficient and renewable energy projects. Verdia accredited partners are assessed for excellence in the quality of their energy products and services and integrity in their operations.
