

Trooper

Trooper is a minimalist design oyster light that neatly blends into the ceiling. CCT selectable for late configuration to suit your requirements. Use in new installations or replacement of your flickering, buzzing and energy hungry fluorescent lighting.

IP54 ingress protection suitable for installation into bathrooms, wet areas and protected outdoor applications.

Features:

- CCT selectable for late configuration.
- No shadows due to large light surface and wide spread light emission.
- IP54 (front surface) for installation in bathrooms.
- Versatile mounting system for easier installation.

Specifications:

- Voltage Input: 200-240VAC
- Power Factor: ≥ 0.9
- Efficacy: ≥ 90 Lm/W
- Beam Angle: 120°
- CRI: ≥ 80
- Operating Temp: -20° to $+40^\circ\text{C}$
- Ingress Protection: IP54
- Dimmable: Yes
- Warranty: 5 years

Options:

The options below are special order. Please contact Lumitex for more information.

- Power:
 - 12W, 30W
- Microwave Sensor
- Emergency
