

Murus

Murus is a contemporary looking wall light built to deliver on all fronts. Its high power, high efficacy LED's providing wide spacing and asymmetric distribution. Built tough with IP65 and IK10 for vandal resistance, Murus has been constructed and finished to meet the harshest conditions and is especially Ideal for coastal locations. The perfect choice for applications like walkways and entrances to schools, hospitals, medical centres, dentists, sports centres, offices, warehousing, public buildings etc..

IK10

IP65

Features:

- High efficacy 130 lm/W
- High corrosion resistance - suitable for coastal installations - Salt spray: ISO 9227:2012
- Diecast aluminium ADC12 body with bronze polyester powder coating and polycarbonate lens
- Stainless steel fastenings : 304/ A2

Specifications:

- Voltage input: 100-277VAC
- Power factor: ≥ 0.93
- Efficacy: 130Lm/W
- CRI: >70
- Operating temp: -10°C to $+50^{\circ}\text{C}$
- Ingress protection: IP65
- Impact rating: IK10
- Warranty: 5 Years / 50,000hrs

Options:

- Dimming:
 - Daylight sensor, 1-10v, Dali
- CCT:
 - 3000k, 4000K, 5000k
- CRI: Optional 80

Part Number	Lumens (Lm)	Watts (W)	CCT (K)	Beam Angle	Product Dimensions (mm)
