

SPORTS FIELD LIGHTING SOLUTIONS

Sports Field Lighting

Whether it be a tennis court, hockey field, soccer or AFL field, Lumitex LED sports lights deliver enhanced visibility for players and spectators.

We understand the science of light and deliver compliant solutions to limit obtrusive light in sensitive environments. Our wide range of lighting options allows us to select the correct LED sports lights for the application, whether indoors or outdoors. Dimmable control options add further flexibility.

Lumitex also provides turnkey solutions, from assessing existing pole suitability through to installation and commissioning. We deliver lighting levels suitable for training, up to broadcast Standard.

It all starts with a phone call or email. We offer a no obligation consultation service to help establish project viability.

Lumitex delivers...

- ✓ Exceptional uniformity
- ✓ Precision optics
- ✓ Superior glare control
- ✓ Unprecedented visual clarity
- ✓ Reliability and longevity
- ✓ Energy efficient operation

Above all, we provide the support you need to make it all happen.
