Courtmaster

Introducing the Lumitex Courtmaster LED Sport Light – your premier solution for superior tennis court illumination.

Engineered as a direct replacement for metal halide lights, Courtmaster dramatically reduces energy consumption and maintenance costs while delivering exceptional performance. Whether for residential, club, competition, or broadcast settings, CourtMaster's advanced glare control and light spill reduction make it ideal for a range of sports, including tennis, soccer, and hockey.

Built with high-impact resistant materials and anti-corrosion treatment, it's also perfect for harsh environments, including coastal areas. Lighting designs incorporating Lumitex Courtmaster are highly likely to comply with the strictest Australian Standards and Tennis Australia guidelines.
